Dragon Families,

It has been my honor to serve as the Principal of Homer Davis Elementary over the past two years. During this time, the staff and community has welcomed me into their family, and I will always be grateful. Davis is a very special school with a strong sense of family and community. I feel fortunate to have been able to experience and be a part of the Davis community. The staff and students of Homer Davis will always hold a special place in my heart. I will be remaining in the district taking on a new role as a project manager in the maintenance department. I am excited for this opportunity because it will allow me to continue to support Homer Davis as well as the other schools in the district.
